

Adoption of 2005-2006 Schedule of Committee on Accreditation Meetings

Professional Services Division

April 1, 2005

Overview

Staff has prepared a proposed calendar of meetings through the end of June 2006 that includes the currently scheduled meetings and proposes a schedule for the 2005-2006 academic year. Staff is prepared to discuss the proposed calendar and provide a rationale for the dates selected. All meetings will be held in Sacramento.

Staff Recommendation

Staff recommends that the Committee on Accreditation adopt the proposed calendar of meeting dates through June 2006.

Background

The Committee on Accreditation annually adopts its schedule of meetings. In general, the Committee and its staff have found that a Thursday has been the best day to meet and when it is necessary to have a two-day meeting, the second day is Friday. The proposed meetings have been scheduled on the third Thursday of the month.

In developing the calendar, staff was cognizant of the fact that there are no accreditation visits scheduled in the Fall and only one visit in the Spring, thus no two-day meetings are anticipated. Other COA meetings may need to be scheduled to deal with implementation of the Commission's *Accreditation Framework*.
